BÝVALÁ KOTELNA V NEMOCNICI HUSTOPEČE
POHLED JIHOVÝCHODNÍ

The architectural elevation drawing shows the southeast view of the former boiler room. The drawing includes various elevation markers and structural details. The elevation markers are as follows:

- +5,100
- +4,580
- +7,140
- +6,230
- +5,520
- +6,640
- +11,180
- 0,000
- 1.NP

The drawing shows a building with a complex roofline, including a tall chimney on the right side. The facade features several windows and doors, with some windows having multiple panes. The drawing is a technical line drawing with no shading or color.

**BÝVALÁ KOTELNA V NEMOCNICI HUSTOPEČE
POHLED SEVEROVÝCHODNÍ**

The drawing is a technical architectural elevation of a building's north-east facade. It shows a two-story structure with a flat roof on the left and a lower section on the right. Key features include: a central entrance with a glass door on the ground floor; large multi-paned windows on both floors; a tall chimney on the roof; and various height markers indicating levels relative to the ground (0,000). The ground level is marked as 1.NP (1st floor).

**BÝVALÁ KOTELNA V NEMOCNICI HUSTOPEČE
POHLED JIHOZÁPADNÍ**

Architectural elevation drawing of the former boiler house in the south-west view. The drawing shows a two-story building with a central chimney. The ground level is marked as 0,000 (1.NP). The second floor level is marked as +3,300 (2.NP). The roof level is marked as +7,140. Other elevation markers include +5,100, +4,450, +4,100, +5,640, +6,715, +6,400, and +11,180. The drawing includes details of windows, doors, and a staircase on the right side.
