

A diagram showing a 2D grid with a red border. The grid is divided into three vertical columns by two vertical red lines. A parallelogram, outlined in a lighter red, is superimposed on the grid. The parallelogram's left edge is on the left border, its right edge is on the right border, and its top and bottom edges are slanted. The text '1/2' is centered in the first column, and '2/2' is centered in the third column, both in red.

$1/2$

$2/2$

A horizontal number line with tick marks at 0, 5, 10, and 15 m.
