

**Regarding: Provision of additional information No. 2 to the design contest**

**EXHIBITION DESIGN  
Moravian Science Centre Brno“**

**The South Moravian Region**, Id. No.: 708 88 337, seated at Žerotínovo nám. 3/5, 601 82 Brno, as the Contracting Authority in the design contest entitled „Moravian Science Centre Brno EXHIBITION DESIGN“, announced in the ISVZ, reg. No. 222917, hereby provides you with the following additional information pursuant to the provisions of Section 49 (2)(4) of Act No. 137/2006 Sb., on Public Contracts, as amended (hereunder the „Act“):

**Query no. 1)**

To meet the technical qualification criteria, you require a minimum level of education and professional qualification pursuant to Section 56 (5)(c) of the Act – university degree, architectonic discipline in the field of design, management of exhibitions, stage design. Is university education received at the Academy of Arts, Architecture and Design in Prague, 6-year academy, sufficient?

**Answer No. 1)**

*Yes, this education is adequate.*

**Query no. 2)**

If the tenderer succeeds in the Design part, and executes the design (design documentation), can he tender for the implementation (construction of the exhibits)?

**Answer No. 2)**

*Yes, the tenderer can tender for the implementation.*

Prague, 10<sup>th</sup> July 2012

Yours faithfully,

---

**Mgr. Jan Dáňa, solicitor**
